

**ONLINE HOMEWORK**  
**Chemistry 65 (Spring 2017)**  
**Course ID: PAZIRANDEH65SP17**

**General Information:**

- The online homework can be accessed at [www.masteringchemistry.com](http://www.masteringchemistry.com).
- Students will need an access code to use this system. Access codes are either purchased by the textbook from LAMC bookstore or purchased separately from the above website.
- In addition to the access code, you will need the Course ID listed above.
- When purchasing access codes separately from the publisher, choose the 5<sup>th</sup> Edition Tro text.
- Homeworks must be completed during the assigned time. All assignments are due at 11:50 pm on the assigned date.
- No late homework is accepted. See a complete list of assignments and due dates below.

**Help & Resources:**

- Refer to the following handout for help getting started with [Mastering Chemistry](#).
- Refer to the following handout for helpful tips with Mastering Chemistry: [Mastering Tips](#)
