

ONLINE HOMEWORK
Chemistry 65 (Fall 2018)
Course ID: PAZIRANDEH65F18

General Information:

- The online homework can be accessed at www.masteringchemistry.com.
- Students will need an access code to use this system. Access codes are either purchased by the textbook from LAMC bookstore or purchased separately from the above website.
- In addition to the access code, you will need the Course ID listed above.
- When purchasing access codes separately from the publisher, choose the 6th Edition Tro text.
- Homeworks must be completed during the assigned time. All assignments are due at 11:50 pm on the assigned date.
- No late homework is accepted. See a complete list of assignments and due dates below.

Help & Resources:

- Refer to the following handout for help getting started with [Mastering Chemistry](#).
- Refer to the following handout for helpful tips with Mastering Chemistry: [Mastering Tips](#)
